This version also takes care of follow-up from the last Centreville call on 7/31; which ended in agreement to check back with each other in a few weeks.

Alan,
 That makes sense to me. Put the language together and then we can run it by Kurt when he is back for who to sign. Send it over when you have something put together.

Thank you,

Please find attached a letter to Governor J.B. Pritzker and Director John Kim, Illinois Environmental Protection Agency ("IEPA") from Centreville Citizens for Change, Equity Legal Services, Metropolitan St. Louis Equal Housing and Opportunity Council, Earthjustice and the Natural Resources Defense Council.

This Black community's failing sewage infrastructure urgently needs the attention of the Governor's office and IEPA.

Please contact Nicole Nelson at Equity Legal Services at nnelson@equitylegalservice.org or me at dchizewer@earthjustice.org to discuss this matter and to arrange a time to discuss the matter with the leaders of Centreville Citizens for Change.
